

Al Noor General Hospital - Patient and Visitor FAQ

For patients, families and visitors (sample for testing)

Visiting Hours and Rules

What are the visiting hours? Visitors are welcome every day from 4:00 PM to 7:00 PM. ICU visiting is limited to 15 minutes and 1 visitor at a time.

How many visitors can come at once? Two visitors per patient at a time. Please be considerate of other patients in shared rooms.

Can I bring food for the patient? Please check with the nurse first, because many patients are on special diets. Outside medication is never allowed.

Appointments

How do I book an appointment? You can call 800-NOOR, use the hospital app, or visit the reception desk. Please arrive 15 minutes early and bring your Emirates ID and insurance card.

How do I cancel or change an appointment? Please cancel at least 24 hours before your appointment. Late cancellations and no-shows may be charged a fee of AED 100.

Discharge, Billing and Records

What time is discharge? Patients are usually discharged by 11:00 AM once the doctor has signed the discharge summary and the final bill is cleared. Please arrange your transport in advance.

How can I pay my bill? We accept cash, credit and debit cards, and direct insurance billing for approved insurers. Insured patients may still need to pay the co-payment at the billing desk.

How can I get a copy of my medical records? Submit a written request at the Medical Records office with your ID. Records are normally ready within 5 working days, and the first copy is free.

Who can I contact with a complaint or feedback? Please contact the Patient Relations office on the ground floor or email feedback@alnoor-hospital.example. We aim to reply within 3 working days.
